It's normal, it's been going on for a million years, and there's nothing about it. That's good because you mess around with Sparkle, you could get yourself a knife, Frankie said. Is she carrying a knife? No, but I know. Chapter 5Page 58 Location 697Sto do it then. Will it fit in my bedroom? I measured. If you come back tonight, we can give him a test drive,' she said. Can you get it tonight? I can get it in twenty minutes,' she said. Well... See you tonight. Before you buy it, however, talk to the manager, Virgil said. Make sure it can take a vicious pounding. I'll definitely ask,' she said. Page 60 Location 706 I have some homework to do and I will collect the bag in the morning. I hate homework, Duncan said. Two days later, you have to do it over and over again. I can hear you, brother, Virgil said. Later that night, a sweaty Frankie said: Let's do it over and over again. Gotta get up early, Virgil said. Not before you finish your homework, she said. Chapter 7 Page 75 Location 879Terry Allen Sing Lower World, Page 80 Location 953Pythons? Where did he get them? Mostly from former dairy farmers who have already received heated barns, Davenport said. They feed them, grow them, kill them, and skin them. He deals with skins in Italy . Minnesota dairy farmers raise snakes? Sounds nasty, Virgil said. Chapter 16Page 183 Location 2187On went with a nurse to find the document, and when she was out of the ear, Foreman said: Whoa. Virgil looked after her and said, Yes. Foreman: Hot and scary. I mean, totally nervous, but then she'll probably eat her head like a black widow. I'm not sure I would say that out loud, Virgil said. I can hear it. Brother. Are you good with her on this case? Chapter 17Page 194 You saw them as scared, Jenkins said. Jenkins. got a hundred dollars that says they call you fifteen times a day. At least fifteen times a day. You're the same, Virgil said. Jenkins examined him for a moment and then said: You're too sure. Because I gave them one of Schreik's business cards, Virgil said. Shrace, in the back seat, said: What? A what? Jenkins snorted and said to Virgil: You're my new role model. You really couldn't have done much better, Virgil said. Shrek's phone rang, and Jenkins started laughing. Page 198 Location 2378 Her hair was neatly combed and she wore dark red lipstick, although she failed to completely retain the lipstick inside the lines. Yes, they're here now. Blonde can be a cop, and the other two look like the mafia. Yes, yes, I know. Talk to you as soon as they're gone. Shrace said: We don't look like the mafia. Yes, yes, Broda said. Can I see an ID? Page 199 To location 2398Cacams were joined by journalists who pointed their microphones at the police, and one of them asked: No tigers there? There's nothing there, Virgil said. The house is empty, as far as we can tell. I don't know about tigers; we had reports of defenestration and had to check it out. Defenestration? It's a pretty big word for a police officer, one reporter said. For Virgil, Jenkins muttered: Damn you and the horse you rode. The reporter said: Hey, what? She slipped her hand in her pocket and pulled out a flat leather juice, nine inches long and an inch and a half wide. Virgil has not seen him since his days as an Army MP captain. Chapter 23Page 276 Location 3278 caused too much to fail, about the financial crisis a decade ago, and which quickly makes it even more irritable: not the book itself, which was fascinating, but the stories of the huge collection of assholes who created and profited from the disaster. Chapter 24Page 284 Location 3395Ou, he did not exactly deny taking tigers; He said the charge was ridiculous and threatened to sue, Jones said. So yes, we'll probably go with it. You and Virgil are using me to break it, aren't you? We wouldn't do that, Jenkins said. You call me honeybun again, I'm going to jerk your tongue out of your mouth, Jones said. Hanibun, Hanibun, Jenkins said. You're a honeysuckle, Daisy. Anyway, why don't you leave so I can go back to vigilance? Correct. America needs more lerts, Jones said. Chapter 30Page 340 Location 4011 I'll do it all, but I wouldn't hold my breath, said the Uber guy. Before he called, Virgil asked: Has anyone ever asked you if you, as an Uber manager, you know how . . . How Obersturmbannfhrer in Nazi Germany? Yes, people ask me that all the time, that they think it's funny. I tell them that, first of all, in Germany it was written from O, not U, and on the other hand, Fuck up. Chapter 31Page 342 Location 4034Don with magazines, he began to walk down the aisles, trying not to look impatient or concerned. I'm trying to look cool. He walked past the cosmetic counter and caught an image of himself in the mirror. Even with the soothing drug flowing around his brain, he knew why he got a strange look from the clerk: he was wearing a green golf shirt, but he was on the back, the collar up, so it looked like a turtleneck. . . . More John Sandford - Escape ClauseGenre: Author: The First Storm Comes From, All Places, Minnesota zoo. Two large and very rare Amur tigers have disappeared from the cage, and authorities are concerned that they were stolen for body parts. Traditional Chinese medicine prizes these parts for home remedies, and people will do extreme things to get what they need. Some are much more extreme than others, as Virgil is about to find out. Then there's the house. Virgil's relationship with his girlfriend Frankie becomes quite serious, but when Frankie's sister Sparkle moves in for the summer, the situation becomes much more complicated. First, her research into migrant workers is about to educate her against some very violent people who strongly do not want to be investigated. For another... she thinks Virgil is a little cute. You mess with Sparkle, Frankie told Virgil, you could get yourself stabbed. Is she carrying a knife? No, but I know. Welcome, you could read this novel in a few minutes!
